The Derby and Derbyshire Safeguarding Children Partnership (DDSCP) have an important update to share with you regarding our safeguarding children training.

Starting from 1<sup>st</sup> April 2025, the DDSCP will be implementing a new charging structure for most of our training courses. Please see attached documents on the website:

- [DDSCP Terms and Conditions](#)
- [DDSCP Payment Process](#)
- [DDSCP Privacy Notice](#)

We understand that changes in fees can impact your budget and planning, rest assured that these new charges have been carefully considered. The charging structure is necessary for the DDSCP to sustain and improve the quality of our safeguarding children courses, which are delivered on behalf of the four statutory partners<sup>1</sup>.

We hope you will continue to support us and allow us to provide quality safeguarding learning opportunities for all staff and practitioners working with children and their families and maintain the high standards of training that agencies expect from us.

We will keep you fully informed about our new charging structure and appreciate your understanding.

Yours sincerely
